Message of the Commissioner

The Housing and Land Use Regulatory Board (HLURB) has accomplished majority of its targets in 2016, specifically on the provision of technical assistance to local government units in the preparation of comprehensive land use plans (CLUPs), review of comprehensive land use plans (CLUPs) and Provincial Physical Framework Plans (PPFPs), registration of Homeowners Associations and Brokers, monitoring of projects issued license to sell and HOA, among others. HLURB also implemented the Zero Backlog Program on cases to facilitate and expedite the disposition of cases which resulted to an increase of cases disposed compared to last year's accomplishment.

Also in 2016, HLURB has embarked into various special projects with different partner agencies such as Mainstreaming of Climate Change Adaptation, Disaster Risks, Biodiversity and Sustainable Land Management in the Comprehensive Land Use Plan (CLUP) and Development of HLURB Monitoring and Evaluation of the Technical Assistance to LGUs, among others.

We are optimistic that our achievements will continue in 2017.

God bless us all.

RIA CORAZON A. GOLEZ-CABRERA

Agency Profile

Vision

An institution of professionals exemplifying public service with responsibility, integrity, competence and justice geared towards the attainment of well-planned and sustainable communities through the regulation of land use, housing development and homeowners associations, and the just resolution of disputes.

Mission

To promulgate and enforce policies on land use, housing and homeowners associations which promote inclusive growth and economic advancement, social justice and environmental protection for the equitable distribution and enjoyment of development benefits.

Agency Accomplishments

A. License to Sell

One of the mandates of the HLURB is to regulate the development and sale of subdivision lots and condominium units. The regulation is done primarily through a permitting system which requires developers to secure a license to sell (LS) for their condominium, subdivision projects and other non-residential real estate projects, prior to engaging in any sale.

In 2016, a total of **869** licenses to sell were issued. **809** of the licenses to sell issued were for **residential projects** while **60** of the licenses to sell for **non residential projects**. These figures translate to **259,546 housing units** and **213,841 non-residential units**.

Majority of the licensed **housing units** are located in the Expanded National Capital Region (**ENCR**) with 85,856 units followed by Southern Tagalog Region (**STR**) with **69,171 units** and then by Northern Tagalog Region (**NTR**) with **37,460 units**.

Majority of the licenses issued for **residential projects** are located in Southern Tagalog Region (**STR**) with **25%** (205/809), followed by Expanded National Capital Region (**ENCR**) with **20%** (162/809), and then by Northern Tagalog Region with 15% (120/809).

Majority of the licensed **residential projects** were under the category of **Economic Housing** with **29%** (233/809), followed by **Open Market Housing** with **23%** (184/809) and then by **Condominium** with **21%** (170/809).

Majority of the licensed Economic Housing Units are located in **STR** with 46% (26,873/88,969), followed by **NTR** with 19% (11,107/88,969), then, followed by Southern Mindanao Region (**SMR**) with 11% (6,430/88,969).

Majority of the licensed Residential Condominium units are located in **ENCR** with 82% (77,382/99,524), followed by Central Visayas Region (**CVR**) with 9% (8,864/99,524) and followed by **STR** with 5% (5,453/99,524)

Majority of the licensed Open Market housing units are located in **Southern Tagalog Region (STR)** with 26% (7,915/27,442), followed by Northern Tagalog Region (**NTR**) accounting for 21% (6,570/27,442) and followed by Expanded National Capital Region (**ENCR**) with 14% (4,183/27,442).

Majority of the licensed Medium Cost housing units are located in Southern Tagalog Region (STR) and Northern Mindanao Region (NMR) with 90% (4,520/5,031) and 9% (455/5,031), respectively.

Majority of the licensed **non-residential** projects are **memorial parks** with **55%** (33/60), followed by **subdivisions** consisting of commercial, industrial and farmland with **33%**(2/16/2/60) and **condominium projects and parking** with **10%** (6/60) and **2%** (1/60), respectively.

Majority of the licensed **non-residential projects** are located in Southern Tagalog Region (**STR**) with 23% (14/60) followed by Expanded National Capital Region (**ENCR**) with 22% (13/60) and Northern Tagalog Region (**NTR**) with 18% (11/60).

Most of the licensed **non-residential units** are located at Expanded National Capital Region (**ENCR**) with **32%** (66,137/213,841) followed by **Northern Tagalog Region (NTR)** with **19%** (38,887/213,841) and **Northern Luzon Region (NLR)** with **18%** (36,303/213,841)

Overall, majority of the projects issued license to sell are located in Southern Tagalog Region (**STR**) with **25%** (219/869), followed by Expanded National Capital Region (**ENCR**) with **20%** (175/869), and then by Northern Tagalog Region (**NTR**) with **15%** (131/869).

Compared to 2015, there was 2.11% increase in the number of licenses to sell issued in 2016 (869 vs. 851).

B. Other Permits/ Clearances

Aside from the license to sell, the HLURB also issues other housing and zoning related permits and clearances, such as locational clearance, zoning certifications, preliminary approval, subdivision and condominium plan approval, certificate of completion, certificate of registration, certificate of non-coverage, clearance to mortgage and certificate of creditable withholding tax. In 2016, a total of **7,787 other permits and clearances** were issued. Majority of these permits were issued in **ENCR** with **30%** (2,346/7,787), **STR** with **18%** (1,392/7,787), and by **NTR** with **13%** (1,010/7,787).

C. HOA Registration

Under Republic Act no. 8763 (March 7, 2000), the HLURB exercises supervision over homeowners associations (HOAs). In 2016, the HLURB approved applications for registration of **1,289 HOAs**. The bulk of these HOA certificates of registration was issued by **ENCR** with **41%** (529/1289), Southern Tagalog Region (**STR**) got **14%** (186/1289), and Northern Mindanao Region (**NMR**) got **13%** (163/1289).

Compared to the previous year, there was a 11.7% increase in HOA registration in 2016 (1289 vs. 1154).

D. Registration of Dealers, Brokers and Salesmen

Even with the passage in 2010 of the of R.A. 9646 (Real Estate Service Act) which professionalized the work of real estate dealers, brokers and salesmen, the HLURB continues to exercise its mandate to register brokers and salesmen of subdivision lots and condominium units pursuant to the provisions of P.D. 957.

In 2016, a total of **19,929 brokers, salesmen and dealers** were registered. Majority of them were based in **ENCR** with **65%** (12,913/19,929), followed by **STR** which registered for **10%** (1,932/19,929), and **CVR** with **9%** (1,770/19,929).

Compared to the previous year, there was a 31.64% increase in dealers/brokers and salesmen's license issued from 15,139 in 2015 to 19,929 in 2016. This is the result of the nationwide information dissemination of the Revised Implementing Rules and Regulations on Dealers, Brokers and Salesmen conducted by HLURB in partnership with the different housing developers' organizations.

E. Monitoring

Incidental to its mandate to regulate the condominium and subdivision trade and business, the HLURB conducts monitoring activities to determine whether projects issued license to sell are completed as per approved plan and schedule, as well as to check violations reported to it. Furthermore, it also conducts monitoring activities inherent to its mandate to supervise homeowners associations. Given the resource constraints, the HLURB was able to conduct a total of **53,199 field and non-field monitoring activities including HOA monitoring in 2016**. Majority of the monitoring activities were conducted in **ENCR** with **25%** (13,285/53,199), **NMR** came in next with **21%** (11,282/53,199), and **NLR** with **14%** (7,557/53,199).

The total number of field and non-field monitoring activities in 2016 (53,199) had increased by 14% compared to the total number of monitoring activities in 2015 (46,568).

F. Adjudication

F.1 Regional and LSG Cases

The HLURB is vested with power by law to hear and decide cases filed by subdivision lot or condominium unit buyers against the developer; homeowners disputes; as well as appeals from decisions of local zoning bodies. In 2016, a total of **2,391 cases** at different stages of proceedings were being **handled** by the Regional field offices and Legal Services Group (LSG) of the HLURB. Majority of the cases were filed in **ENCR** with **53%** (1,274/2,391) followed by **STR** with **22%** (530/2,391), and then by **NTR** with **6%** (148/2,391). By the end of the year, **49%** or a total of **1,163 regional and LSG cases** have already been **resolved**.

Compared to the previous year, there was a slight increase of 14.6% in disposed cases from 1,015 in 2015 to 1,163 in 2016.

F.2 Appealed Cases

Decisions of the Regional Field Offices are appealable to the Board of Commissioners of the HLURB. In 2016, **553 appeals** were handled by the Board of Commissioners. As the year came to a close, 71% or **390 appealed cases** have been **resolved** with the assistance of the Appeals Review Group (ARG).

Compared to 2015, there was a slight decrease in the appealed cases resolved in 2016 (418 vs. 390).

G. Planning

Another major function of the HLURB is to render technical assistance to local government units (LGUs) in the formulation/updating of their comprehensive land use plans (CLUPs). For 2016, 342 LGUs were given technical assistance in the formulation/updating of CLUPs, 218 CLUPs were reviewed as member of Provincial Land Use Committee/Regional Land Use Committee (PLUC/RLUC) and 1,211 CLUPs for approval were monitored. In terms of training, a total of 5,868 participants from different local government units were trained on CLUP formulation, 1,332 participants on CLUP Review and Approval process, 686 participants on Zoning Administration, 763 participants on Subdivision Plan processing and 1,684 participants for other trainings.

The HLURB also reviews and approves the CLUPs of Highly Urbanized Cities (HUC), Independent Component Cities (ICC) and cities and municipalities of Metro Manila and the Provincial Physical Framework Plans (PPFPs). For 2016, seven (7) Provincial Physical Framework Plans (PPFPs) and eight (8) CLUPs were reviewed prior to submission to HLURB for approval, namely: PPFPs of South Cotabato, Zamboanga del Norte, Romblon, Palawan, Cotabato, Occidental Mindoro, Pangasinan and eight (8) CLUPs, namely: San Juan, Quezon City, Valenzuela City, Pasig City, Dagupan, Iligan City, Pasay City, Muntinlupa City.

Finally, on the status of CLUPs, of the 1,634 local government units, 1,466 LGUs or 90% have approved CLUPs of which 415 are updated and 1051 are due for updating while the number of LGUs with no approved CLUP was reduced by 2.9% from 173 in 2015 to 168 in 2016.

H. Policy Formulation

The HLURB periodically revisits its policies and formulates new ones in order to adapt to the ever changing circumstances and in order to fill the gaps in policies for a more effective implementation of its mandates, mission and vision. The Board with the assistance of the Policy Development Group (PDG) and other concerned groups and Technical Working Groups conducted several policy studies and formulated the following policies in 2016, to wit:
